A QUARTERLY DIGEST OF INFORMATION ON TESTS

test collection bulletin

Eleanor V. Horne, Editor

Vol. 4, No. 2

April, 1970

The Test Collection of Educational Testing Service contains an extensive collection of standardized tests as well as some experimental tests in education and psychology. It also includes publishers' catalogs and descriptive materials, information on scoring services and systems, test reviews, and reference volumes on testing. The tests are indexed by title, author, number (an accession number assigned when the test is indexed), and subject.

Qualified persons, both inside and outside of Educational Testing Service, may have access to the materials in the Test Collection. Publishers' restrictions regarding access to test materials are carefully observed.

For further information about materials and services listed in this Bulletin, readers are requested to communicate directly with the appropriate publisher or organization. Addresses are listed on pages 7-8.

For additional information about the Test Collection or the *Test Collection Bulletin*, write to:
